N E W S L E T T E R

Hi Everyone and thank you to all who helped to Clean Up Canberra.

DNP Rangers are now available to us so we are ready to hit those roses and pyracanthas. We will meet, as last year, on the Sunday of the first full weekend of each month at 1.30. This year we will meet at Guinness Place (off Beaumont Close, off Sidaway Street) and hope to link up with last years work. You don't have to 'cut and dab' there are other activities.

We are applying for a grant to fence in more land next to the other plantings. The Kurajong Nursery on Kambah Pool Road have agreed to propagate plants free of charge so if you can patronise them it would be a nice gesture. (and they are cheap!)

We also hope to have extra help on Sundays - hopefully all day.

All volunteers will need to have training in the use of herbicides in order to be covered by insurance. I will let you know the next dates as soon as I am given them.

Some of the Group have volunteered to 'adopt' a specific area of the Ridge and either clear and revegetate it themselves or monitor it and let us know what needs to be done. If you feel you could help, even if only for a tiny area, I would be delighted to hear from you. (Ideal for families or for those who can't make Sunday afternoon).

Hope to see as many of you as possible on
