

NEWSLETTER NO 36

NOVEMBER 1995

Hi Everyone,

A huge "Thank You" to all those people who helped at the planting and at the Weston Creek Festival, ensuring that both were very successful. What wonderful weather we have had for our new shrubs, trees and grasses.

I am asking for one more effort on Sunday 3rd December as we have grasses and a few more bursaria to plant before the advent of hotter weather. We will meet at Monkman St steps at 1.30pm and walk from there. Hopefully it will not take too long and we will have time for a chat and a slice of cake - see map at end of newsletter.

Our sale day resulted in a profit of \$70 which bought us another 50 eucalypts. Thank you to those people who supported it.

If you are a "caretaker" would you please let me have your reports in. Those who forget will get a friendly phone call from Pauline, our projects officer, later in the month to see how they are progressing.

A red dot on this letter means that you haven't returned your membership form and will, technically, cease to be a member at the end of the year. If you intend to rejoin would you please do so soon.

To help people become more involved with the group we are enclosing a short questionnaire which we are asking you to fill in and return to 21 Ordell St Chapman.

I went to a co-ordinators meeting on Wednesday and it was decided that each group could nominate some hand tools which they would find useful. If anyone has any ideas would you let me have them please. Also, if you have any Park Care tools which are in need of being sharpened let me know and I'll get them done as soon as possible.

I hope to see you for the next Park Care day. If not, have a Happy Christmas and we will see you in 1996.
