

NEWSLETTER NO 35

OCTOBER 1995

Hi Everyone,

The grasses have been planted in our eroded area and I now have trees and shrubs ready to go in, so Sunday 5th November will be a planting day. See map at end of newsletter for how to get to the area. We have several of our "regulars" ill or on holiday so PLEASE could we have everyone available turn up?

On Saturday 11th November I have booked a space at the Weston Creek Festival as we need to attract more members and to get ourselves more widely known. As David is one of the incapacitated members is there anyone who would volunteer to help erect the tent at 9am please? We would welcome helpers any time during the day (10 - 4) to talk to the public.

Remember Sale Day, 31st October, at 21 Ordell St Chapman, 9 - 7, timed to suit everyone, even the workers!

If you are a "caretaker" you will find a report form attached to this newsletter. Please let us know the state of your area and any work you may have done during the last 6 months.

Thank you to the people who have re-signed their membership forms and returned them. Can we please have any outstanding forms back as soon as possible.

Dates to remember:

Tuesday 31st October	SALE DAY 9am - 7pm, 21 Ordell St
Sunday 5th November	Planting; meet 1.30pm Monkman St steps
Saturday 11th November	Weston Creek Festival 10am - 4pm Volunteer needed at 9am - HILDER STREET WESTON

Cheers

Bess (2887536)
