

**MEMBERS NEWSLETTER NO 79  
DECEMBER 1999**

Hi Everyone,

It's hard to imagine, sitting in this continuous sunshine, that our November meeting was rained off! We have weeded the grasses and done all the whipper snipping in the large plantation for this year.

If you have returned your forms give yourself a pat on the back. A red dot on this letter means that we have not had your membership form, a green dot signifies that you have not returned your caretakers report. This will be the last newsletter for those people not renewing, so, once again, thank you for your help and encouragement in the past.

We will be having the last monthly meeting of the year on Sunday 19th December when we will meet in the lovely Bracteantha patch above the fire trail up from Chauvel Circle. Park there or at Kathner St and walk up to the fire trail.

We are still selling tickets for the raffle (unframed watercolour painting) we need more money to make it a success. Bring your money to the monthly meeting.

Sandra Hand has some spare, very healthy, tomato plants needing a good home. A small charge for Park Care funds will be made. Contact her on 62886038.
