

NEWSLETTER NO 24

OCTOBER 1994

Hi Everyone, Do you like our logo? The centre is a frond of a Resurrection Fern, which we thought was a very fitting emblem.

Well the ATC volunteers have been and gone and cut down about eight thousand exotics, mainly sweet briars. We need to retrace their steps but it has certainly speeded up our timetable for woody weed removal.

We had a most interesting walk with Brendan Lipschi and, in addition, he has edited the expanding herbarium which Pauline Lynga keeps for us. We hope to invite him again.

The November meeting has been rescheduled for 9AM on 6th November when Bruce Lindenmayer will lead a walk to observe and identify birds. PLEASE NOTE THE CHANGE OF TIME. We will meet at the Kathner Street entrance. Bring binoculars if you have any.

Gosta Lynga is working hard refining the brochure for our proposed Nature Trail and has managed to interest the Weston Creek Rotary Club in the project.

The AGM will be on Wednesday 9th November at 7.30pm sharp. if you would like to come earlier our maps, library, my snake photos etc. will be on show from 7pm. The AGM will be followed by a buffet supper and then an ordinary meeting to bring us up to date with all the news and forward plan for 1995.

We are continuing to weed on Monday (Mt Arawang), Friday (Kathner St), and Sunday (Guinness Place) and are always delighted to see extra helpers.

Dates to remember:-

Sunday 6th November

KATHNER ST 9AM
