February 1993

Cooleman Ridge Group

## N E W S L E T T E R

Hi Everyone and welcome to the 1993 season.

I hope you are all feeling energetic and working up a healthy hatred for exotic plants!

The Friday Group have been busy de-heading some of the more pernicious weeds and we also had a major attack against thistles on the first meeting for the year on 7th February.

March 7th is Clean up Australia Day (morning only) and we are again having a registration point at the Rafferty/Monkman street children's playground, I hope a lot of you can do some cleaning- its surprising the litter still on the Ridge once you leave the beaten track. If you can't help on the day I can let you have a sack beforehand but you are only insured on the actual day. In the afternoon we will meet at 1.30 at Titheradge Place and have another go at the thistles.

I am going to a co-ordinators meeting early in March and would like to share ideas and information with you on Thursday March 18th at 21 Ordell Street, Beginning at 7.30. Hope you can come.

All for now

Cheers

Bess
